

Agent Compensation Required Communication

Recommended Talking Points

As your sales agent, I and/or my agency will receive compensation from UnitedHealthcare per member per month for the plan you are enrolled in. I or my agency could be eligible for additional compensation based on our sales performance. I or my agency could earn up to \$112.00 per member per month if we enroll more than 1,000 members in a New York Essential plan during plan year 2024.

This compensation is paid based on your enrollment in a UnitedHealthcare New York Essential plan. You will not be billed for this compensation. You are only responsible for any copayments or cost share amounts that may be due when you seek care.

You are being given this information as required by federal law, so that you are aware of the compensation I receive from UnitedHealthcare as a result of your enrollment in the plan.
