To make it simple, follow these 3 steps:

Step 1: Compare costs and benefits

Benefits and Costs may vary from 2024 to 2025 health plans. Take a moment to read through so you can feel confident in your costs and coverage.

Step 2: Review your prescriptions and provider network

It's important to make sure your doctors are still in network for 2025, and ensure your prescriptions are listed.

Step 3: Renew or shop

If the information for your 2025 plan looks good, you can simply renew your plan right on the **Prepare for Next Year** page and continue paying your monthly premium as usual. If you prefer to see other plans and options, I can help you explore UnitedHealthcare ACA Marketplace plans that may work better for your needs next year.
