

UHC Complete plans are designed to work with your CHOICE Arrangement allowance

CHOICE Arrangement (formerly ICHRA) is a health benefit that allows your employer to reimburse you for individual health insurance premiums and other qualifying medical expenses on a tax-free basis. With UHC Complete, you can apply your employer's CHOICE Arrangement contribution to offset the cost of your health plan premiums. To utilize your CHOICE Arrangement allowance, you'll need to enroll in a qualified health plan, such as UHC Complete. Your broker can help you choose the right plan that fits your needs. While this is one of many plans you can enroll when participating in a CHOICE Arrangement, you may also enroll in any of our off-exchange Individual & Family ACA plan, provided the plan meets CHOICE Arrangement eligibility requirements and your employer's arrangement permits it.
