

In **Jarvis**, you will be able to view your customer's application status and recent activity at any time. This will improve tracking of your business and bring awareness on necessary actions to ensure enrollment effectuation.

Accessing Applications

There are three easy ways to access application status in Jarvis:

1. Click **Applications** on the homepage welcome banner
2. Select **Applications** in the navigation toolbar
3. Through the homepage widget

View Applications

When you scroll down on the Applications page, you will see an alphabetical list of your customer's applications. The results display the most recent activity over the last 60 days.

- If you do not see an applicant in the table, narrow or broaden your search by changing the date range on the calendar to include the effectuation date (e.g., 01/01/2024). You may search any 1-12-month range in the past to view previously submitted applications
 - **Please note:** It may take up to three business days from submission for applications to display on **Jarvis**.
