

Take advantage of the Electronic Funds Transfer (EFT) service!

The Easiest Way to Pay

Enjoy the convenience of the EFT option. With EFT, your monthly payment will automatically be deducted from your checking or savings account. Also, you'll save \$2.00 a month – or more.*

*Additional EFT savings may be available based on your enrollment in other eligible plans. Certain discounts may not be available to Medicare supplement plan holders in certain states.

Benefits of the EFT service:

- You'll save on the cost of checks and rising postal rates.
- You don't have to take time to write a check each month.
- You don't have to worry about mailing a payment if you travel or become ill, because your payment is always deducted on or about the fifth day of each month.

Signing Up is Easy

Complete the Automatic Payment Authorization Form on the reverse side. Return it with the application and be sure to keep a copy for your records. Please be sure the information is clear, as it is required for processing your request for EFT. Please do not include a check. All that is required is the EFT Authorization details noted on the back.

Your EFT Start Date

- Recurring monthly EFT withdrawals will occur on or about the fifth of each month. EFT will usually begin the same month your plan is effective. If your enrollment application is accepted at the end of the month and your plan is effective the next month, there may be a processing delay in starting your EFT. In that case, EFT will start the month after your plan is effective, and your account statement will explain how to make a payment until your EFT starts.
- If this EFT form is received and processed after your application is accepted, the start date of EFT is based on the date your EFT form is processed and whether your plan has started or is effective in the future. EFT will usually begin the month after your EFT form is processed but could start the following month. If your coverage is effective two or more months in the future, EFT will begin the same month your plan is effective. The amount and date of the first EFT withdrawal will be shown on your account statement. If any payment is due before your EFT starts, use the coupon on the account statement which will explain how to make a payment.

Complete Form on Reverse

This side for your information only, return not required.

AUTOMATIC PAYMENT AUTHORIZATION FORM

☐ I allow UnitedHealthcare Insurance Company or an affiliate, together known as “UnitedHealthcare,” to take monthly withdrawals, for the then-current monthly rate for the named member, from the bank account shown on this form. I also allow the named banking facility (BANK) to charge such withdrawals to this account.

Monthly withdrawal amounts will be for the individual’s payment due each month. This authority is active until UnitedHealthcare and the BANK receive notice from me to end withdrawals in enough time to give UnitedHealthcare and the BANK a reasonable opportunity to act on it. I have the right to stop payment of a withdrawal by giving notice to the BANK in such time as to give the BANK a reasonable opportunity to act upon it. I understand such action may make the health care insurance coverage past due and subject to cancellation.

Member Name _____ AARP Member Number _____

Member Address _____

Street Address
