Dear [FirstName LastName],

Thank you for choosing your AARP® [Plan Name] [Plan Code] from UnitedHealthcare. Welcome to the family! Attached is your health insurance identification card for your plan. **Your coverage is set to start on [Effective\_Date].**

Please review the attached ID card to make sure all details are correct. Once you've paid your first month's premium and your coverage has started, you have the freedom to choose any doctor or specialist who accepts Medicare. And you don't need a referral, so using your new plan is as simple as showing this card, in addition to your Medicare card. You can feel confident because you'll have a plan that renews automatically, simply by paying your premiums when due.

And remember, if you lose or misplace your plan ID card, you can call UnitedHealthcare Customer Service for assistance, or print, download or order a new card at

*Over, please*
