

Only certain dual-eligible consumers can enroll in a UnitedHealthcare D-SNP using the Integrated Care SEP, to facilitate aligned enrollment.

| If | | Then |
|--|---------------|---|
| Client has a UnitedHealthcare Medicaid plan and is Full Dual eligible (FBDE, QMB+) | → | Client is eligible for the monthly Integrated Care SEP and may enroll in any of the available UnitedHealthcare D-SNPs in their service area |
| Client does not have UnitedHealthcare Medicaid and wants to enroll in a UnitedHealthcare D-SNP using the Integrated Care SEP | → | Client must first enroll in the UnitedHealthcare Medicaid plan |
| Client is not a Full-Dual (example: SLMB+, SLMB, QI, QMB) | \rightarrow | Client is subject to the same SEP rules as non-SNP Medicare Advantage (MA) and qualifies for all D-SNPs available in their service area |

Special Circumstance Special Election Periods (SEPs) still apply to all D-SNP consumers; client must be Medicaid-eligible.
