

IFP Agent Business Website Registration Form

All Agent or Agency owned websites that reference UnitedHealthcare by name or logo must be registered with UnitedHealthcare before displaying UnitedHealthcare's name or logo.

Completing and submitting this form indicates intent to announce affiliation with UnitedHealthcare on a business website. It is also the contracted agent/agency's attestation that they have read and reviewed UnitedHealthcare's Job Aid for Agent Websites and Social Media posted on Jarvis.

Complete all relevant fields and submit this form as an email attachment to compliance_questions@uhc.com with the email subject line "Website/Social Media Registration - <agent/agency name>"
