Summary of D-SNP Enrollment Eligibility

Any dual-eligible consumer can enroll in a UHC D-SNP plan during AEP and MA-OEP

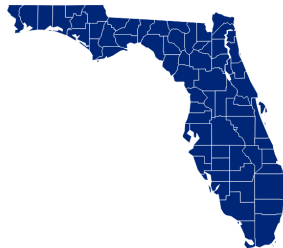

1. There are no changes to enrolling in D-SNP plans during AEP and MA-OEP. To enroll a consumer into the UHC Dual Complete FL-Y001 during AEP or MA-OEP, the consumer must enroll in the UHC Medicaid Managed Care Long Term Care (LTC) plan. Use the Jarvis Medicare and Medicaid Verification (MMV) tool linked on the D-SNP landing page to verify plan eligibility (see QR code above or navigate to Jarvis > Sales Tools > Medicare & Medicaid Eligibility Lookup).

Only certain dual-eligible consumers can enroll in a UHC plan using the Integrated Care SEP (see below)

1. If your client is Full Dual eligible (FBDE, QMB+, SLMB+), your client may be eligible for the monthly Integrated Care SEP and may enroll in any of our D-SNP plans except UHC Dual Complete FL-Y001. To enroll in UHC Dual Complete FL-Y001, your client must first enroll in the UHC Medicaid Managed Care LTC plan. Use the MMV tool linked above to validate your client's eligibility before you submit the application.
2. Non-Full Duals (example: LIS and QMB only) are subject to the same SEP rules as MA.
3. Special circumstance SEPs still apply to all D-SNP consumers; client must be Medicaid eligible. Refer to the Jarvis MMV tool for more information.

Medicaid Information

To enroll in a UHC D-SNP plan using the Integrated Care SEP, consumers must be Medicaid eligible. To enroll in our FL-Y001 plan, they must enroll into the UHC Medicaid LTC plan first.

Medicaid LTC Plan Name: UnitedHealthcare Health & Home Connection

Medicaid Enrollment Period: Year Round

Does a consumer's D-SNP selection change their Medicaid plan? Yes, consumers who select a UHC D-SNP plan will automatically receive all of their Medicaid covered services through their UHC D-SNP plan. Note: LTC consumers must first call the state to change their LTC plan to the UHC LTC plan.

Unique Medicaid Considerations:

- In order for your clients' UHC Dual Complete FL-Y001 to be effective the first of the following month, clients must switch their LTC plan to the UHC LTC Plan by the 15th of the month.
- Full Dual eligible consumers with other LTC carriers will not be eligible to switch to the UHC LTC plan (UHC Dual Complete FL-Y001) using the Integrated Care SEP and are subject to Medicaid OEP rules to switch to the UHC LTC plan.
- Medicaid LTC Open Enrollment begins October 1st and ends November 30th.
