Summary of D-SNP Enrollment Eligibility

Any dual-eligible consumer can enroll in a UHC D-SNP plan during AEP and MA-OEP

1. There are no changes to enrolling in D-SNP plans during AEP and MA-OEP. Use the Jarvis Medicare and Medicaid Verification (MMV) tool linked on the D-SNP landing page to verify plan eligibility (see QR code above or navigate to Jarvis > Sales Tools > Medicare & Medicaid Eligibility Lookup).

Only certain dual-eligible consumers can enroll in a UHC plan using the Integrated Care SEP (see below)

1. If your client is Full Dual eligible (FBDE, QMB+), your client may be eligible for the monthly Integrated Care SEP and may enroll in the UHC D-SNP plan. Use the MMV tool linked in the QR code above to validate your client's eligibility before you submit the application.

Medicaid Plan Name: UnitedHealthcare Community Plan

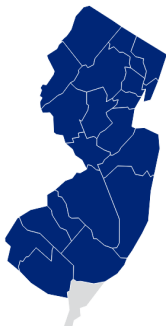

Does a consumer's D-SNP selection change their Medicaid plan? Yes, consumers who select a UHC D-SNP plan will automatically receive all of their Medicaid covered services through their UHC D-SNP plan.

Unique Medicaid Considerations:

- To enroll, individuals must have Medicare Parts A and B; have full NJ Medicaid benefits and not be simultaneously enrolled in Programs of All-Inclusive Care for Elderly (PACE). Use the MMV tool linked above to verify enrollment eligibility.
- While most D-SNP services are covered through Medicare, some are exclusively covered by Medicaid. These include dental, vision, hearing aids and fittings, certain private duty nursing services, and home and community-based services such as medical day care and personal care assistance and long-term nursing facility stays.
- LTC members can enroll into this plan.
