Summary of D-SNP Enrollment Eligibility

Any dual-eligible consumer can enroll in a UHC D-SNP plan during AEP and MA-OEP

1. There are no changes to enrolling in D-SNP plans during AEP and MA-OEP.

Dual-eligible consumers are limited to special circumstances SEPs (see below)

1. Special circumstance SEPs still apply to all D-SNP consumers; refer to the D-SNP Landing Page for more information (scan the QR code or navigate to the file path above).
2. Special circumstance SEPs include (but are not limited to) your client:
 - a. Being eligible for Medicare prior to turning 65 and is now turning 65 (IEP2).
 - b. Losing coverage from an employer.
 - c. Moving outside of the service area for the current plan or into the service area of a new plan.
 - d. Moving into a long-term care facility, such as a nursing home.
 - e. Moving out of a long-term care facility, such as a nursing home.
 - f. Recently had a change in or is no longer eligible for Extra Help paying for Medicare prescription drug coverage or Medicaid.
 - g. Was affected by a weather-related emergency or major disaster (as declared by the Federal Emergency Management Agency (FEMA)).
 - h. Enrolled in a plan by Medicare (or the state) and wants to choose a different plan within 3 months.
 - i. Delayed enrollment into Medicare Part B and now has Part B (ICEP-Delayed Part B).
 - j. Recently enrolled in a Medicare Advantage plan for the first time and wants to make a change during the first 3 months of enrollment.

Unique Market / Network Considerations

1. The UHC Medicare and Medicaid Verification (MMV) tool does not work to verify consumer D-SNP eligibility in Rhode Island. Please contact the Producer Help Desk (PHD) at 1-888-381-8581, option 2, to verify your client's D-SNP eligibility.
2. UHC D-SNP is not affected by network termination of Brown Health and they remain in network.
