

Rewards

Eligible UnitedHealthcare Medicare Advantage members can **earn valuable rewards** by **completing certain health-related activities**.

**Earn up to \$165*
in rewards**

**Combine with available
benefit credits to shop**

Why UnitedHealthcare?

- Members can **earn up to \$165* annually in rewards to spend on eligible items** such as OTC products, books, household items, gifts, and more.
- **Get Moving Monthly Challenge reward**, available on select plans, can be self-reported on the member website or mobile app using the activity calendar or by connecting a fitness tracking device. Members can switch between self-reporting and using a fitness tracking device at any time.
- Available **reward dollars are loaded to the UnitedHealthcare UCard®** for easy access. Members can use both their available rewards and OTC benefits toward eligible purchases.
- Members can **shop a large network of retail stores**, including Walmart, Walgreens, Kroger and more.
- Members **don't need to opt in** to the program to earn rewards.
- Once members begin taking part in the rewards program, many return year after year, a testament to the **value and satisfaction** the program brings.

How does it work?

- **Earn.** Members earn rewards by completing certain health-related activities, like an annual physical or wellness visit. Special Needs Plan (SNP) members can earn up to \$165* annually. Non-SNP Medicare Advantage Prescription Drug (MAPD) members can earn up to \$155* and Non-SNP MA-only members can earn up to \$150* annually if they get started in January. *More rewards may be added throughout the year. Members should keep checking their member site or app.*

Watch a video – Reward \$5 (reward name varies by plan)

Annual Wellness Visit – Reward \$15

Get Moving Monthly Challenge – Reward Up to \$120 (\$10/month)

Members can earn a reward by completing 30 minutes/day of any physical activity at least 10 days each month OR if using an activity tracker to register steps, complete 5,000 steps/day at least 10 days each month. Members must report activity completion by the end of the month.

Health Assessment (SNP only*) – Reward \$10

Flu Shot – Reward \$5

How does it work? Continued...

- **Shop.**
 - Visit a participating store in the S3 network. The digital store finder makes it easy for members to find a nearby location. The store finder, used to locate participating stores, is located in the member website, mobile app and Jarvis Quick Access links.
 - Shop for eligible items such as OTC products, gifts, groceries, clothing and more. Members can use the product scanner in the mobile app to see if an item qualifies for purchase. Rewards purchase restrictions apply.
 - At checkout, members can swipe their UCard just like other debit or credit cards.
 - When shopping with UCard, benefit credits (OTC, Healthy Food) are applied first, then earned rewards (rewards or HouseCalls) will be applied. After the benefit credits and rewards are applied, the member is responsible for any remaining balance due.
 - If the member is purchasing non-OTC items, rewards are applied automatically.
 - If a member does not want to use earned rewards, we recommend separating benefit-eligible products into a second transaction.
- **Report.** Most activities require self-attestation to earn eligible rewards, which can be reported on the member site, mobile app or by phone. Rewards are loaded to a member's UCard within 24 hours after reporting an activity.
- **Review.** Members can view past transactions and reward balances on the member website or mobile app.

How can you support your members?

- Help members know what to expect for 2026 and how to get the most out of their plans.
- Remind members the sooner they start, the more rewards they can earn. To earn \$150, \$155 or \$165, members must start in January.
- For plan-specific rewards information, visit the Medicare Product Portal.
- Encourage members to use the Rewards digital experience to complete rewards quickly and easily.

**Reward offerings may vary by plan and are not available in all plans. By participating in the program or accessing reward funds, members agree to the Rewards Program Terms of Service. Members must participate January through December to earn all available rewards. Rewards must be earned and reported within the time frames specified by the plan.*

When talking with consumers, rewards should only be discussed in connection with other plan benefits and not as a standalone or lead point.

Plans excluded from rewards include Erickson Advantage, Preferred Care Network (PCP), UnitedHealthcare Senior Care Options, People's Health, Private Fee for Service (PFFS), Minnesota D-SNP, Institutional Special Needs Plans (I-SNP), Medicare-Medicaid Plans (MMP), Preferred Care Partners (PFP), Medicare Supplement, Prescription Drug Plans (PDP).
