1 Your age as of your plan effective date.

2 The **Enrollment Discount** applies if you are between the ages of 65 and 80 and your plan effective date is within ten years following your 65th birthday (or Medicare Part B effective date, if later).

The Enrollment Discount is applied to the current Standard Rate. The Standard Rates usually change each year. The discount you receive in your first year of coverage depends on your age on your plan effective date. The discount is 39% at ages 65 through 68. After age 68, the discount percentage reduces 3% each year on the anniversary date of your plan until it reaches 0% on the anniversary date of your plan on or after age 81.

3 **IMPORTANT:** Plans C and F are available only to applicants eligible for Medicare prior to 1/1/2020.

4 You must use a network hospital with Select Plans G and N.

1 Your age as of your plan effective date.

2 The **Enrollment Discount** applies if you are between the ages of 65 and 80 and your plan effective date is within ten years following your 65th birthday (or Medicare Part B effective date, if later).

The Enrollment Discount is applied to the current Standard Rate. The Standard Rates usually change each year. The discount you receive in your first year of coverage depends on your age on your plan effective date. The discount is 39% at ages 65 through 68. After age 68, the discount percentage reduces 3% each year on the anniversary date of your plan until it reaches 0% on the anniversary date of your plan on or after age 81.

3 **IMPORTANT:** Plans C and F are available only to applicants eligible for Medicare prior to 1/1/2020.

4 You must use a network hospital with Select Plans G and N.

1 Your age as of your plan effective date.

2 The **Enrollment Discount** applies if you are between the ages of 65 and 80 and your plan effective date is within ten years following your 65th birthday (or Medicare Part B effective date, if later).

The Enrollment Discount is applied to the current Standard Rate. The Standard Rates usually change each year. The discount you receive in your first year of coverage depends on your age on your plan effective date. The discount is 39% at ages 65 through 68. After age 68, the discount percentage reduces 3% each year on the anniversary date of your plan until it reaches 0% on the anniversary date of your plan on or after age 81.

3 **IMPORTANT:** Plans C and F are available only to applicants eligible for Medicare prior to 1/1/2020.

4 You must use a network hospital with Select Plans G and N.
