1 Rates for Kansas Residents

Your rate is based on your age on your plan effective date and, in some cases, your answers to health questions. **All rates are subject to an annual change for all AARP Medicare Supplement Insurance Plan holders, based on changes in health care costs and the claims experience of the plan.**

Additionally, the following applies:

For Ages 50 to 64:

- If you enroll during your Open Enrollment or Guaranteed Acceptance period, you are eligible for the **Standard Rate** for ages 50-64. This rate will not increase between ages 50-64 just because you get older.
- If you did not enroll during your Open Enrollment or Guaranteed Acceptance period, you will receive the **Level 2 Rate** until you reach age 65.
- When you continue your enrollment beyond age 65, **Standard Rates** will then apply. This rate will change each year until you reach age 75. Once you reach age 75, your rate will become level, and never change just because you get older.

For Ages 65 and over:

- If you enroll during your Open Enrollment or Guaranteed Acceptance period, or if you do not have one or more of the medical conditions on the application, you are eligible for the **Standard Rate**. This rate will change each year until you reach age 75. Once you reach age 75, your rate will become level, and never change just because you get older.
- If you have one or more of the medical conditions on the application, and you did not enroll during your Open Enrollment or Guaranteed Acceptance period, you will receive the **Level 2 Rate**. This rate will never increase just because you get older. The Level 2 Rates do not apply to individuals who meet Medigap Open Enrollment or Guaranteed Issue.

2 Refer to the application.

3 **IMPORTANT:** Plans C and F are only available to eligible Applicants (a) with a 65th birthday prior to 1/1/2020 or (b) with a Medicare Part A effective date prior to 1/1/2020.

4 You must use a network hospital with Select Plans G and N.
