

2026 Rate Information

for AARP Medicare Supplement Insurance Plans

2026 Texas premium rate information is now available for AARP® Medicare Supplement Insurance Plans insured by UnitedHealthcare® Insurance Company (UHIC).

Effective July 1, 2026, the premium rates in Texas will change. Please see the pages below to view rates for new enrollees with initial plan effective dates of July 1, 2026, to June 1, 2027, or rate change percentages.

In addition to the *What's Up with Med Supp?* page on Jarvis, state-specific rate information can also be found in Medicare Supplement JarvisEnroll or in Enrollment Kits available in [Jarvis](#) under Sales Tools > Sales Materials > Sales Materials Portal.

Multi-insured discount expansion

Great news! Starting July 1, 2026, insured members will see a multi-insured discount increase from 7% to 10%. That's 10% off the monthly premium if two insured members are on the same AARP membership household account and each is insured under an AARP Supplemental or Personal Health Insurance Plan. This discount will be available to both new enrollees and current insured members with a plan effective date of June 1, 2010, or later.

1 Your age as of your plan effective date.

2 The **Enrollment Discount** applies if you are between the ages of 65 and 80 and your plan effective date is within ten years following your 65th birthday (or Medicare Part B effective date, if later), and you do not have any medical conditions on the application that would qualify you for the Level 2 rate.

The Enrollment Discount is applied to the current Standard Rate. The Standard Rates usually change each year. The discount you receive in your first year of coverage depends on your age on your plan effective date. The discount is 39% at ages 65 through 68. After age 68, the discount percentage reduces 3% each year on the anniversary date of your plan until it reaches 0% on the anniversary date of your plan on or after age 81.

3 Refer to the application.

4 **IMPORTANT:** Plans C and F are available only to applicants eligible for Medicare prior to 1/1/2020.

1 Your age as of your plan effective date.

2 The **Enrollment Discount** applies if you are between the ages of 65 and 80 and your plan effective date is within ten years following your 65th birthday (or Medicare Part B effective date, if later), and you do not have any medical conditions on the application that would qualify you for the Level 2 rate.

The Enrollment Discount is applied to the current Standard Rate. The Standard Rates usually change each year. The discount you receive in your first year of coverage depends on your age on your plan effective date. The discount is 39% at ages 65 through 68. After age 68, the discount percentage reduces 3% each year on the anniversary date of your plan until it reaches 0% on the anniversary date of your plan on or after age 81.

3 Refer to the application.

4 **IMPORTANT:** Plans C and F are available only to applicants eligible for Medicare prior to 1/1/2020.

5 Level 1 Rates apply to individuals whose plan effective date will be ten or more years following their 65th birthday (or Medicare Part B effective date, if later). Level 1 Rates are for individuals whose acceptance is guaranteed or who do not have any of the medical conditions on the application.

6 Level 2 Rates apply to individuals whose acceptance is not guaranteed and who have one or more of the medical conditions on the application.

1 Your age as of your plan effective date.

2 The **Enrollment Discount** applies if you are between the ages of 65 and 80 and your plan effective date is within ten years following your 65th birthday (or Medicare Part B effective date, if later), and you do not have any medical conditions on the application that would qualify you for the Level 2 rate.

The Enrollment Discount is applied to the current Standard Rate. The Standard Rates usually change each year. The discount you receive in your first year of coverage depends on your age on your plan effective date. The discount is 39% at ages 65 through 68. After age 68, the discount percentage reduces 3% each year on the anniversary date of your plan until it reaches 0% on the anniversary date of your plan on or after age 81.

3 Refer to the application.

4 **IMPORTANT:** Plans C and F are available only to applicants eligible for Medicare prior to 1/1/2020.

5 Level 1 Rates apply to individuals whose plan effective date will be ten or more years following their 65th birthday (or Medicare Part B effective date, if later). Level 1 Rates are for individuals whose acceptance is guaranteed or who do not have any of the medical conditions on the application.

6 Level 2 Rates apply to individuals whose acceptance is not guaranteed and who have one or more of the medical conditions on the application.
