1 Your age as of your plan effective date.

2 The **Enrollment Discount** is available to applicants age 65 to 76. You may qualify for an Enrollment Discount based on your age and your Medicare Part B effective date. If you are eligible, the discounted rates will be shown.

Who is eligible

You are eligible for the enrollment discount if you are between the ages of 65 and 76 and your plan effective date is within ten years following your 65th birthday or Medicare Part B effective date, if later, and you do not have any medical conditions on the application that would qualify you for the Level 2 rate.

The Level 2 rates do not apply to individuals who meet Medigap Open Enrollment or Guaranteed Issue.

How it works

The Enrollment Discount is applied to the current Standard Rate. The Standard Rates usually change each year. The discount you receive in your first year of coverage depends on your age on your plan effective date. The discount percentage reduces 3% each year on the anniversary date of your plan until the discount runs out.

3 Refer to the application.

4 **IMPORTANT:** Plans C and F are available to eligible Applicants with a 65th birthday prior to 1/1/2020. Plan C is available to eligible Applicants who will be age 50 or older after 1/1/2020 with a Medicare Part A effective date prior to 1/1/2020. These plans are not available to Applicants who turn age 65 (or if under 65, have Part A effective dates) on or after 1/1/2020.
