1 Your age as of your plan effective date.

2 The **Enrollment Discount** applies to applicants age 65 to 85.

How it works

The Enrollment Discount is applied to the current Standard Rate. The Standard Rates usually change each year. The discount you receive in your first year of coverage depends on your age on your plan effective date. The discount percentage reduces by 2% each year on the anniversary date of your plan from age 68 to age 79 and then by 3% from age 80 to 86.

3 **IMPORTANT:** Plan F is only available to eligible Applicants (a) with a 65th birthday prior to 1/1/2020 or (b) with a Medicare Part A effective date prior to 1/1/2020.
