

Starting August 27, 2026, two changes will take effect in Louisiana for AARP® Medicare Supplement Insurance Plans insured by UnitedHealthcare® Insurance Company (UHC):

- Changes to the Annual Birthday Enrollment Period
- A transition to eligibility underwriting

1. Annual 63-day Birthday Enrollment Period

- **Application receipt timing:** UnitedHealthcare must receive an application or plan change request for eligible individuals starting on their birthday and ending 62 days after. The 30-day window before the individual's birthday – during which UnitedHealthcare could receive an application or plan change request – will be eliminated.

2. Eligibility Underwriting

- Eligibility underwriting will include all new enrollments and current insured members changing plans outside of the Annual Birthday Enrollment, Guaranteed Issue, or Medicare Supplement Open Enrollment Periods.

New applications for Louisiana will be required starting Aug. 27, 2026.

New applications will be included in the Louisiana Enrollment Kits starting Aug. 27, 2026, on the Sales Materials Portal, accessible via [Jarvis](#).

Please do not download or order large amounts of Enrollment Kits now. Any kits ordered prior to Aug. 27, 2026, will be outdated and the applications will not be the correct version.

Important!

Please ensure your clients promptly sign applications submitted through JarvisEnroll as applications will be changing on Aug.27, 2026¹
