

Beginning Sep. 24, 2026, two important changes will take effect for AARP® Medicare Supplement Insurance Plans insured by UnitedHealthcare® Insurance Company in Rhode Island:

1. Guaranteed Acceptance Annual Enrollment Period (AEP) Eligibility Update

Rhode Island's AEP will continue to align with the Medicare AEP and run from Oct. 15-Dec 7. However, updates to the eligibility requirements will change:

- Consumers are now eligible if they currently have a Medicare Supplement plan or Medicare Advantage plan and maintained continuous coverage in a Medicare Supplement plan, Medicare Advantage plan, or another form of credible coverage with no gap in coverage exceeding 90 days since their Medicare Supplement Open Enrollment Period (OEP). This replaces the previous requirement that measured continuous coverage from the individual's Medicare Initial Enrollment Period (IEP). Credible coverage includes employer-sponsored health coverage and other qualifying health coverage.

2. Underwriting Change

UnitedHealthcare will transition to eligibility underwriting in Rhode Island for AARP Medicare Supplement Plans. This includes all new enrollments and current insured members changing plans outside of Guaranteed Issue scenarios, the Rhode Island Annual Enrollment Period or Medicare Supplement Open Enrollment Periods.

New applications for Rhode Island will be required starting Sep. 24, 2026.

New applications will be included in the Rhode Island Enrollment Kits starting Sep. 24, 2026, on the Sales Materials Portal, accessible via [Jarvis](#).

Please do not download or order large amounts of Enrollment Kits now. Any kits ordered prior to Sep. 24, 2026, will be outdated and the applications will not be the correct version.
