

Update for AARP Medicare Supplement Insurance Plans in Utah

As of May 7, 2025, there will be an annual 61-day Birthday Enrollment Period in Utah for individuals that are replacing their current Medicare Supplement plan with a different Medicare Supplement plan of comparable or lower benefits with the same insurer.

Members in an AARP® Medicare Supplement Plan from UnitedHealthcare® or AARP® Medicare Select Plan from UnitedHealthcare® can change to a different AARP Medicare Supplement Plan or AARP Medicare Select Plan with comparable or lower benefits. The enrollment application must be received by UnitedHealthcare starting with the member's birthday and during the following 60 days.

An instructional flyer providing direction on how to complete the application under the Birthday Enrollment Period will be added to the Utah Enrollment Kits on May 7, 2025.
