Summary of 2027 Enrollment Requirements

New 2027 CMS Alignment Requirements Apply in New Jersey

- In 2027, there are new exclusively aligned enrollment CMS requirements for Full Dual eligibles (FBDE, QMB+) where UHC offers managed Medicaid:
 - One UHC D-SNP Option per Service Area. Full dual members will have one UHC plan available in each service area.
 - New Full Dual Enrollees Will Be Aligned with UHC for Both Medicare and Medicaid. Full Dual members who newly enroll in UHC's D-SNP must be enrolled with UHC for both their Medicare and Medicaid coverage. If a member joins a UHC D-SNP and is enrolled in a different Medicaid managed care plan, their Medicaid coverage will transition to UHC's Medicaid plan after D-SNP enrollment. **Note:** Consumers must be enrolled in a Medicaid managed care plan before enrolling in a Full Dual D-SNP.

Only Certain Dual-Eligible Consumers Can Enroll in a UHC D-SNP During AEP, MA-OEP and SEP

- Use the Jarvis Medicare and Medicaid Verification (MMV) tool to verify plan eligibility. See QR code above or navigate to Jarvis > Sales Tools > Medicare & Medicaid Eligibility Lookup.
- If your client is enrolled in Medicaid and is Full Dual eligible, they may qualify for the monthly Integrated Care SEP and may enroll in UHC's D-SNP during SEP.

Medicaid Plan Name: UnitedHealthcare Community Plan

Does a Consumer's D-SNP Selection Change their Medicaid Plan? Yes, consumers who select a UHC D-SNP will automatically receive all of their Medicaid covered services through their UHC D-SNP.

Unique Medicaid Considerations:

- To enroll, individuals must have Medicare Parts A and B; have full NJ Medicaid benefits and not be simultaneously enrolled in Programs of All-Inclusive Care for Elderly (PACE). Use the MMV tool linked above to verify enrollment eligibility.
- While most D-SNP services are covered through Medicare, some are exclusively covered by Medicaid. These include dental, vision, hearing aids and fittings, certain private duty nursing services and home and community-based services such as medical day care and personal care assistance and long-term nursing facility stays.
- LTC members can enroll into this plan.
