Summary of 2027 Enrollment Requirements

New 2027 CMS Alignment Requirements Do Not Apply to UHC Plans in Pennsylvania

- In 2027, there are new exclusively aligned enrollment CMS requirements for Full Dual eligibles (FBDE, QMB+, SLMB+) where the health plan offers managed Medicaid. UHC does not have managed Medicaid in Pennsylvania, so the new requirements do not apply.

Any Dual-Eligible Consumer Can Enroll in A UHC D-SNP During AEP and MA-OEP

- There are no changes to enrolling in UHC D-SNPs during AEP and MA-OEP. Use the Jarvis Medicare and Medicaid Verification (MMV) tool to verify plan eligibility (see QR code above or navigate to Jarvis > Sales Tools > Medicare & Medicaid Eligibility Lookup). **Note:** *Partial consumers will not be found using MMV. If the consumer is partial, a copy of the Medicaid award letter will need to be submitted via secure email to MandRenrollment@uhc.com to process the application.*

Dual-Eligible Consumers Are Limited To Special Circumstances SEPs

- Special circumstance SEPs still apply to all D-SNP consumers; client must be Medicaid eligible.
- Special circumstance SEPs include (but are not limited to) your client:
 - Being eligible for Medicare prior to turning 65 and is now turning 65 (IEP2).
 - Losing coverage from an employer.
 - Moving outside of the service area for the current plan or into the service area of a new plan.
 - Moving into a long-term care facility, such as a nursing home.
 - Moving out of a long-term care facility, such as a nursing home.
 - Recently had a change in or is no longer eligible for Extra Help paying for Medicare prescription drug coverage or Medicaid.

 - Enrolled in a plan by Medicare (or the state) and wants to choose a different plan within 3 months.
 - Delayed enrollment into Medicare Part B and now has Part B (ICEP-Delayed Part B).
 - Recently enrolled in a Medicare Advantage plan for the first time and wants to make a change during the first 3 months of enrollment.
